

## **2023-24 Registration links for STLDA Coaches**

If you are a coach (head or assistant), please follow the link below to complete the coaches registration requirements for the 2023-24 MYSA coaches pass ASAP.

There are two fees that will be assessed as part of the process. The \$19 fee will be paid via credit/debit card for the annual pass and then an \$11 fee will be paid via credit/debit card for the background check.

**If you have a current GotSport Account, please just login with the correct email and password for that account via the link above.**

**IF YOU ARE NEW TO GOTSPORT, YOU WILL NEED TO CREATE AN ACCOUNT USING YOUR EMAIL ADDRESS AND CREATE A PASSWORD. Once the account is created, we will be able to assign you to the appropriate team.**

**If you have held a MYSA coach's pass in the past, see below [AFTER YOU HAVE REGISTERED VIA THE LINK ABOVE.](#)**

To fully complete the MYSA risk management requirements, you will need to complete the following steps listed on your GotSport dashboard:

- complete the SafeSport Refresher Course
- complete the background check for 2023-2024. **Can't be completed before July 1, 2023**  
\*Returning coaches that had previously registered in GotSport should show the original SafeSport certificate and Coaching License as "fulfilled".

**If you are a first-time coach in the MYSA platform, see below**

- Complete the SafeSport Trained Course
- upload your concussion trained certificate
- complete the background check for 2023-24. **Can't be completed before July 1, 2023**
- upload your coaching license

**The new minimum coaching license for MYSA will be the US Soccer Grassroots 7v7, 9v9 or 11v11 courses (either online or in-person).**

\*Coaches are encouraged to complete the licensing for the age-groups they will be coaching.

\*\*The 4v4 license will not be accepted as MYSA does not sanction Competitive 4v4 play.

All of these courses are hosted in the [US Soccer Learning Center](#).

The online courses are \$25/coach. The in-person courses are usually around \$50/coach (varies depending on venue).

If your club would like to sponsor your coaches or host a course, you can pre-purchase voucher codes for their registrations through MYSA.

**Any existing or previously accepted MYSA or Foundations of Coaching or other licenses are still valid and will still be accepted.**

This new minimum is for coaches who have not previously received a coaching license.

MYSA does have plans to create another in-house license in the future, but this development process would extend past the start of the season. The goal is to have that course available for Fall 2024.

MYSA will send out notifications once courses are available for registration. But we will also share all upcoming courses on our website: [www.missourisoccer.org/coaching-courses](http://www.missourisoccer.org/coaching-courses)
